OUR GOAL:

We here at QCMP are looking to keep the heads up Index series as simple and effective as possible! The rules are geared to bring in as many racers as possible, and the all-run field will make sure everyone gets a chance to play! The 11.50 class is our entry level class that we hope will bring in a new generation of racer. With some of today's factory cars going in the 11's, we're trying to get as many up and coming racers involved as possible with this class!
