

Pit Spot Rules For Q.C.M.P.

- The pit spot you lease is for you and your equipment only. This is not a reserved spot for family and friends parking. On Special Event days, we will try to honor everyone's reserved spot. Sometimes however, it will be necessary for us to have some people relocate for an Event because of Show Cars, Displays, Outside Concessions, Etc.
- If you are not in your reserved spot by 8:00am Sat on a special event weekend, your spot will be up for grabs. There will be no reserving of parking spots, especially on special event days.
- Please mark your spot with a sign. (Preferably 2' x 2')
- Q.C.M.P. is not responsible for damage to any equipment or property that is left on the premises. This includes, but not limited to, theft, fire, wrecks, mother nature, power outages, etc.
- You are responsible for all your trash. Please utilize the trash bins located within the pit area to dump all your trash. See management for a garbage bin for your pit spot.
- No dumping of oils, fuels or other vehicle fluids on the ground. Please do not dump them in the trash cans, as they are not hazardous material containers. Oil disposal bins have been supplied throughout the grounds. If you cannot find one please contact a QCMP employee for assistance.
- Owners of ATV's, golf carts, scooters, etc are responsible for their use and all injuries that could occur. **OPERATORS MUST HAVE A VALID DRIVER'S LICENSE.** Speeding or reckless driving **WILL NOT** be tolerated!
- **All equipment must be removed from track by November 15 of that particular year. Any trailer or motorhome left after November 30, will be removed at owners expense.**
- Outdoor Winter Storage is available for \$200 off season (space is at 10359 Western Reserve Rd next to track on a gravel surface)
